BRAND'S

SPECIAL HOLIDAY ANNOUNCEMENT.

Elegant Picture and Frame, Only $1.50.

BRAND believes in the old truism that

"In Time of Peace Prepare for War."

Months ago BRAND, looking forward to the Holidays, made a contract with the well known firm of Chas. Taber & Co. of Massachusetts, manufacturers of Standard High Class Art Goods, for an immense invoice of PURE GOLD BRONZE FRAMES, 10 by 13 inches in size, to be of the most artistic quality and finish and adapted to strictly first-class retail Holiday Trade. The firm consented to fill this large order during their dull summer months, when they could take special pains with their work and afford Mr. Brand UNHEARD-OF DISCOUNTS from regular rates.

Now for the Milk in the Cocoanut!!!

Beginning MONDAY MORNING, Nov. 1, BRAND will place these Frames before his patrons, and will FILL THEM WITH THEIR PHOTOGRAPHS, as finely finished as is possible to make them, at the astonishingly low price of $1.50 for BOTH PICTURE AND FRAME. Proofs will be shown every sitter, and no pains or expense will be spared to make the pictures entirely FIRST-CLASS, and worthy of the reputation of Brand's Gallery. Sittings can be secured in advance either by mail or otherwise. NO TIME SHOULD BE LOST, as these special inducements can only continue through November.

These Pictures and Frames are cheap at $5.00. Furnished for

Only $1.50.

WILL CONTINUE TO SELL

Silk Hdkfs., Mufflers, And Shawls

UNTIL ALL ARE CLOSED.

To the large number of people who took advantage of this sale during the past week to purchase bargains, we would respectfully state that the bargains will be greater during the coming week, as many of the higher-priced Handkerchiefs, Mufflers, and Shawls have been put in at a lower price in order to close more rapidly. We have also added a lot of

Japanese and Canton Silk Shawls,

ELEGANTLY EMBROIDERED.

These will be sold at one-third the former price. Our reason for selling the goods so cheap will be known to the public soon, but our object is first to close out all Silk Goods. Respectfully,

Who Cares for an Axe All Covered with Rust?

Notice to the Public:

I will this week duplicate any price that have been advertised in this or any other Chicago paper today on any style of Photographs, Photograph and Frame, or Crayon Portraits, same quality of work considered.

There is a report in circulation that a certain down-town photographer will submit here the following announcement: He to get all he can at $5, $4, or $3, just so he can borrow the public to grind us down on our money, and I to make Cabinets at $2, any style, and we to divide the profits every Saturday night. Now, whether this is a wild rumor or a fact makes no difference to the public. I positively assert and am ready to prove that I am making and shall continue to make as good as the best at any price, and that "ignorance and fools cannot exist" when they pay more than $2 for Cabinet Photographs.

Certain photographers are advertising to give away with every dozen Cabinets at $2 a Gold Frame. Now a Gold Frame for size they propose to give away would cost $3.50 wholesale, and I will bet $1,000 with any photographer so advertising that there is not a particle of gold on said frames. If any one can discover any gold on the frame I will eat it, and besides give away a Life-Size Portrait. I will furnish the same frame at FIFTEEN CENTS. Photographers must not advertise what they will not do, as I will give the advance away every time.

REMEMBER!

$2 PAYS FOR 12 CABINETS AND 1 PANEL.
$3 PAYS FOR 12 CABINETS AND 6 PANELS.
$3 PAYS FOR 18 CABINETS AND 1 PANEL.
$4 PAYS FOR 18 CABINETS AND 6 PANELS.

ANY STYLE TO SUIT YOU.

SITTING FREE IF FIRST DOES NOT SUIT. PROOFS AND PICTURES MAILED IF SO DESIRED.

$10

Pays for Permanent Life-Size Portrait and Handsome Frame.

This Picture is full life size, framed in a frame 30x36 inches, and is as good as any $50 Crayon made. You should see this picture before purchasing elsewhere.

BRYAN'S LAST SUPPORTERS.

WHY THEY ARE CHARGING

REAL ESTATE PROSPECTS.

THE CITY.

SIR JULIUS BENEDICT,

The composer, who died last year at his home, Manchester Square, London, was by years of age. When he was 40 he was engaged to a young English girl of 18, but the match broke because Benedict was considered too old for her.

The funny part is that 27 years after, when Sir Julius had attained the ripe age of 77, he married a girl of 20, who was the "daughter" of his former affianced, who 27 years before had considered him too old for her.

Now that "widow" of an 80-year-old husband has just married a young journalist 30 years of age—

And Willoughby, Hill & Co., the "CHICAGO CLOTHIERS," offer $800,000 New Clothes, $800,000 of which is the "magnificent"

BROKAW BROS.'

Clothes. Brokaw Bros. retailed $80,000 a week ago Saturday to the most "particular" people of New York—people that could not be induced to buy ANY OTHER KIND. Brokaw Bros. will retail between two and three million dollars' worth of clothes this year to customers that have "traded" with them for 28 years.

Step into our store, try on an Overcoat or an Undercoat; you will "INSTANTLY" "feel" the difference.

Every dollar expended in these Eastern Branch clothing stores (except store expenses) leaves Chicago daily for the pockets of the owners in New York, Philadelphia, and Boston, and will never again be seen in Chicago, and no Chicago man will ever handle a cent of it again. Willoughby, Hill & Co. are "enthusiastic" Chicago men, and every dollar they get hold of SHALL BE DISTRIBUTED around this city in some way during "life," and "after."

"However," unless we can SHOW that it is in YOUR INTEREST to trade with us we CAN NOT and DO NOT expect your trade. We would be pleased to show you the greatest and nicest assortment of all goods worn by Mankind we ever had, and if ANY OTHER HOUSE HAS MORE goods, or as many, then they "DON'T" PAY THEIR PROPORTION of the TAXES of our CITY, and the ASSESSORS should know it.

Respectfully submitted.

A SOFT TERRIBLE CRIME.

Young Lawyer and Alleged Blackmailer Arrested and Held Accountable.

One Case of an Accommodating Preacher, After Leading Two Lives of a Double Heart Regrets He Failed to Kill Both—The Fatal Fascination of the Young Man for Fleeced Old Merchants Count Against—Confessed and Contrite.

[Special Dispatch to The Chicago Tribune.]

CLEVELAND, O., Oct. 30.—[Special.]—The death of Isaac M. Fitzwater by chloral poisoning recalls a sensational crime which at the time created much excitement. Young Fitzwater was the son of an aged citizen of Cleveland, who was, at the time of the death of his son, Supreme Chancellor of the Knights of Pythias, and a prominent Mason. He was a graduate of the Cleveland Law School, and was admitted to the bar in 1882. Before he had been in practice a year he was arrested on a charge of blackmailing Rev. Dr. Hopkins, the well-known pastor of the Euclid-avenue Presbyterian Church, and a number of other prominent citizens. The story of the crime, as developed at the trial, was as follows:

Fitzwater, as the young man was called, was born in Cleveland, and was educated in the public schools of this city. He was a bright boy, and his parents had every reason to be proud of him. He was a favorite in society, and was considered a rising young man. He was married, and his domestic relations were pleasant. He was a member of the Methodist Episcopal Church, and was considered a consistent Christian gentleman. He was admitted to the bar, and began the practice of his profession with every prospect of success. He was a member of the Masonic fraternity, and was considered a worthy brother. He was also a member of the Knights of Pythias, and was considered a worthy brother. He was also a member of the Odd Fellows, and was considered a worthy brother. He was also a member of the Elks, and was considered a worthy brother. He was also a member of the Moose, and was considered a worthy brother. He was also a member of the Eagles, and was considered a worthy brother. He was also a member of the Woodmen, and was considered a worthy brother. He was also a member of the Red Men, and was considered a worthy brother. He was also a member of the Improved Order of Red Men, and was considered a worthy brother. He was also a member of the Knights of Columbus, and was considered a worthy brother. He was also a member of the Knights of Honor, and was considered a worthy brother. He was also a member of the Knights of Labor, and was considered a worthy brother. He was also a member of the Knights of the Golden Eagle, and was considered a worthy brother. He was also a member of the Knights of the Golden Rule, and was considered a worthy brother. He was also a member of the Knights of the Golden Square, and was considered a worthy brother. He was also a member of the Knights of the Golden Star, and was considered a worthy brother. He was also a member of the Knights of the Golden Triangle, and was considered a worthy brother. He was also a member of the Knights of the Golden Wheel, and was considered a worthy brother. He was also a member of the Knights of the Golden Wreath, and was considered a worthy brother.
